

Germany

Willkommen in Deutschland!

Germany is a sought-after destination in the heart of Europe!

Germany offers breathtaking landscapes, from high mountains in the Alps to fairytale forests and the beaches of the North Sea. Discover vibrant metropolises such as Berlin, Munich and Cologne, as well as old, historic towns such as Rothenburg ob der Tauber and Quedlinburg in the Harz Mountains. Germany offers a high standard of living and has a thriving economy. The country is famous for its culture and produced celebrities such as Goethe and Beethoven. Today, Germany is a leader in numerous technologies. It is home to companies such as Volkswagen, Mercedes, and Adidas. Experience a rich culture, many traditions such as the Oktoberfest and unique moments at festive Christmas markets.

The largest country in Central Europe offers quality of life and high standards.

Life is good in Europe's most populous country (except Russia). Between old castles and state-of-the-art industrial plants of this economic power, it is good to learn at one of the different types of schools.

Accommodation

Accommodation is in a host family (if no boarding school is chosen).

German families are very fond of their guests and concerned about their well-being. They try to plan time to spend their free time with their guest.

School

The school system knows the comprehensive school and the grammar school, which is designed for the best performing students. Depending on the federal state, there are 12 or 13 grade levels.
